INTRODUCTION

National Institute of Technology, Jalandhar was established in the year 1987 as Regional Engineering College and was given the status of National Institute of Technology by the Government of India under the control of Ministry of Human Resource Development, New Delhi on October 17, 2002. As National Institute of Technology, the institute has a responsibility of providing high quality education in Engineering and Technology to produce competent technical manpower for the country. The institute offers B Tech program in eleven disciplines of Engineering and Technology along with research programs leading to M Tech, M.Sc., MBA and Ph D. The institute acquires a national character having 50% student intake from the State of Punjab and the rest from other states/union territories of the country.

OUR VISION

"To build a rich intellectual potential embedded with interdisciplinary knowledge, human values and professional ethics among the youth, aspirant of becoming engineers and technologists, so that they contribute to society and create a niche for a successful career".

OUR MISSION

"To become a leading and unique institution of higher learning, offering state-of-the-art education, research and training in engineering and technology to students who are able and eager to become change agents for the industrial and economic progress of the nation. To nurture and sustain an academic ambience conducive to the development and growth of committed professionals for sustainable development of the nation and to accomplish its integration into the global economy. To strive to be a Swachch NIT providing a guarantee of clean hostel, clean mess, clean water and hygienic & wholesome food to its students".

QUALITY POLICY

- To develop technical human resource of excellence suitable for global requirements.
- To ensure good quality academic and industrial research programmes in different areas of engineering and technology.
- To generate industry-institute synergy for shaping technical education to meet the requirement of industry.

ABOUT US

HISTORICAL BACKGROUND

National Institute of Technology Jalandhar was established in the year 1987 as Regional Engineering College and was given the status of National Institute of Technology (Deemed to be University) by the Government of India under the control of Ministry of Human Resource Development, New Delhi on October 17, 2002.

LOCATION

Jalandhar is an important railway station on Delhi- Amritsar sections of Northern Railways and is situated at about 370 kms north of Delhi. It is also well connected through road route (situated at NH-1). It is renounced industrial centre for sports goods, leather goods and hand tools. The institute is located on GT road, Bye–Pass (leading towards, Amritsar). It is situated at a distance of about 12 kms from Jalandhar Bus Stand, 10 kms from Jalandhar city Railway station and 15 kms from Jalandhar Cantt. Railway station and is well accessible through local buses and auto-rikshaw.

CAMPUS

The institute campus is spread over an area of 154 acres on picturesque landscape. It is a harmonious mix of natural beauty with state of art architecture. The campus is fully residential and having sufficient number of residents for faculty and staff and hostels for students. There are 8 boys, 3 girls' and including mega hostels. Besides this the campus is also having a cricket field, a football ground, volley ball & tennis court, badminton hall, track, table tennis tables and ancillary arrangements for sports activity. In addition to that one Table Tennis table is provided in each hostel. The campus is self-contained having shopping complex, computerized Banks, Post office, Faculty Club, Students Activity Center, Guest House, Dispensary and other facilities essential for community living.

ACADEMIC PROGRAMMES

In addition to Bachelor's programmes in Engineering, institute also offers Master's and Doctorate programmes in Engineering, Humanities & Management and Sciences. The academic programs offered by the institute are listed below-

1. Bachelor of Technology (B.Tech)
2. Master of Technology (M.Tech-Full Time)
3. Master of Technology (M.Tech- Part-Time)
4. Master of Science (M.Sc)
5. Master of Business Administration (MBA)
6. Doctorate of Philosophy (Ph.D-Full Time)
7. Doctorate of Philosophy (Ph.D- Part-Time)
8. Integrated teacher Education Programme (ITEP)
9. Integrated B.Tech- MBA Programme with IIM Amritsar

Undergraduate Programmes:

Bachelor of Technology (B.Tech)
Duration: 04 years

1. Bio Technology
2. Chemical Engineering
3. Civil Engineering
4. Computer Science and Engineering
5. Electronics and Communication Engineering
6. Industrial and Production Engineering
7. Instrumentation and Control Engineering

The Institute offers Ph.D programmes Full Time and Part Time) in all the Engineering Departments, Science Departments and Department of Humanities & Management in various disciplines.

2.2 Admission Procedure

Under Graduate Programme

The admissions to undergraduate programme are provided based on the merit of JEE main conducted by CBSE through the Central Counseling Board Constituted by MHRD, Government of India. The reservation policy is as per the decision of the MHRD. The eligibility for admission under the home state quota is 10+2 pass in the discipline approved by AICTE from an institution located in Punjab.

Post Graduate Programme based upon valid GATE score and Self-sponsored based on internal examination

Ph.D Programme

- **Ph.D Programmes for Regular Candidates**

  Master's degree in Engineering/Technology in relevant areas with first class or minimum 60% marks (CGPA 6.5) with valid GATE score, or Master's degree in appropriate branch of Science/Humanities/Social Sciences with first class or minimum 60% marks (CGPA 6.5) with valid GATE score or UGC/CSIR/NET qualified.

- **Ph.D Programmes for Internal Candidates**

Faculty/Technical/Scientific staff of NITJ having teaching/industrial experience of more than two years and possessing the same academic qualifications as that for Ph.D full time scheme is eligible to apply for Ph.D Programmes. A valid GATE score of UGC/CSIR fellowship is not required.

- **Ph.D Programmes for External Candidates**

External candidates specified by Industry/Institute having R & D facility recognized by DST or equivalent/NITJ with industrial experience of two years or more and having same academic qualifications as that for "Ph.D programmes for regular candidates" are eligible to apply for Ph.D Programmes. The valid GATE score of UGC/CSIR fellowship is not required.

- **Ph.D Programmes for Staff under Projects**

The project staff working under the projects sponsored by MHRD/DST/UGC or some other government agency and coordinated by the institute's faculty as certified by the Principal Investigator/Coordinator and having the same academic qualifications as that for Ph.D Full Time programme are eligible to apply for admission to Ph.D Programme provided an adequate financial support for the period of Ph.D degree is ensured from project employment or other sources. A valid GATE score of UGC/CSIR fellowship is not required.

2.3 Rules and Regulations for B. Tech Programmes

Registration

Registration is an important procedural part of the academic system which ensure the willingness of the student to continue in the course of study in the institute. No credit is given to the student who attends a course without a formal registration. The name of the registered student only appears on the roll list of the courses registered. Pre-registration for each semester will be done according to a specified schedule prior to the end of the previous semester and paying the requisite tuition fee to the institute. In absentia registration will be allowed only in rare cases at the discretion of Dean (Academic Programme). In case of illness or absence during registration, the student should intimate the same to the Dean (Academic Programme). Each student will be given a Registration Record which will be an official record of courses registered. Add, Drop, Withdrawal and Audit will be marked on this sheet itself by the Academic Section. The Registration Record should be retained by the student until he/she gets the Semester Grade Card for the corresponding semester.

Advice on Courses

At the time of completing the Registration Form, each student should consult his/her HOD concerned to finalize the academic programme, keeping in view minimum/maximum numbers of total and lecture credits, past performance, backlog of courses, SGPA/CGPA, workload and students interests. Special provisions exist for academically weak students.

Limits on Registered Credits

A student must register for a minimum of 15 credits and a maximum of 30 credits in a semester wherein theory credits registered by a student should not be less than 9 credits. There is a minimum number of student registration required to run an elective course and will be decided by the department concerned from time to time.

Late Registration

- For those students who were not on campus during the period of registration in the previous semester, Registration procedure will be completed on a later date with permission of the Dean, Academic Programmes.
- For reasons beyond his/her control, if a student is not able to register or send an authorized representative with a medical certificate, he/she may apply to the Dean (Academic Arrairs) for late registration. The Dean will consider and may approve late registration in genuine cases on payment of an extra fee of Rs.500/-. Late registration is allowed until one week after the start of the semester.

Addition, Deletion, Audit and Withdrawal from Courses

- Add and Drop: A student has the option to add or delete courses from his/her registration during the first

week of the semester.

- Audit: A student may also apply for changing a credit course to an audit one within one week of the end of the first class test.
- Withdrawal: A student who wants to withdraw from a course should apply on a prescribed form within one week of the end of the first class test. A withdrawal grade (W) will be awarded in such cases.

Attendance Requirement

- All students must attend every lecture, tutorial and practical class. However, to account for late registration, sickness or other such contingencies, the attendance requirement will be a minimum of 75% of the scheduled classes.
- A student with less than 75% attendance in a course during a semester, will be awarded a W grade in that course irrespective of his/her performance in the tests. The Course Coordinator, while awarding the grades, will take into account the consolidated attendance record for the whole semester. Students who are deficient in attendance shall be awarded W grade, by the course coordinator.
- In order to maintain the attendance record of a particular course, a roll call will be taken in every scheduled lecture, tutorial and practical class.
- For the purposes of attendance, every scheduled practical class will count as one unit irrespective of the number of contact hours
- The Course Coordinator will consolidate the attendance record for the course from the beginning of the semester up to class test-I to class test-II and to the end of the semester. The teacher offering the course shall notify the students having less than 75% attendance with an intimation of the same to the concerned Head of the Department and Dean (Academic Programmes).
- Every faculty offering a course will take attendance till three calendar days before the last instruction day in the semester. The percentage of attendance, calculated up to this instruction, will be indicated in a code number/letter as follows: Attendance rounded to Code No/letter 95% and above H 85% to 94% 9 75% to 84 % 8 Below 75% L A student who has attendance code letter L will not be allowed to sit for end semester examination in the course in which the short fall exits.

Absence during the Semester

- A student must inform the Dean (Academic Affairs) immediately of any instance of continuous absence from classes.
- A student who is absent due to illness or any other emergency, up to a maximum of two weeks, should approach the Course Coordinator for make-up in quizzes, assignments and Laboratory work.
- A student who has been absent from a class test due to illness should approach the Course Coordinator for a make-up test on return to class. This request should be supported with a Medical Certificate from the Institute Medical Officer. A Certificate issued by a registered medical practitioner will also be acceptable in those cases where a student is normally residing off-campus; in such cases the registration number of medical practitioner should explicitly appear in the medical certificate. Prior to approaching the Course Coordinator, the student must file a copy of the medical certificate with the Academic Section.
- In case of absence on Medical grounds or other special circumstances, before or during the end semester examination, the student can apply for I-grade. 75% attendance in a course is necessary for being eligible for request of I-grade in that course. An application requesting an I-grade should be made at the earliest, but not later than the last day of the end semester examination. This application should be made to the concerned Head of Department, depending on the merits of the case, will grant the approval. The Head of the concerned Department will inform all the concerned Course Coordinators and Dean (Academic Programmes). The student should, subsequently, complete all course requirements according to the prescribed schedule.
- In special situations arising due to the student's inability to be present at the institute during the stipulated period, the period for conversion of I grade can be extended to the beginning of the next semester. Approval for this extension is granted by Dean (Academic Programmes), on the recommendations of the concerned Head of the Department of the student, the Course Coordinator(s), and the Chief Warden in case of a boarder. A request to this effect should be included in the application for I-grade.
- In case the period of absence on Medical grounds is more than 20 working days during the semester, a student may apply for withdrawal from the semester i.e. withdrawal from all courses registered in that semester. Such an application must be made as early as possible and latest before the start of the end semester examinations. No application for semester withdrawal will be considered after the end semester exams have commenced.

Each application for semester withdrawal will be examined by the Dean (Academic Programmes) and depending on the merit of the case an appropriate recommendation will be made. Partial withdrawal from courses registered in a semester is not allowed.

2.5 Examination and Evaluation

The academic system at NIT, Jalandhar is framed on a credit based semester examination system. The credit system envisages a continuous evaluation of student's performance, and provides flexibility for academic progress at an optimum pace based on individual ability and convenience, subject to the constraint of the minimum requirements for continuation in the academic programme as per NEP

Credits
Each lecture/tutorial hour per week per semester is assigned one credit. Each Laboratory hour per week per semester is assigned half credit. However, some courses are preparatory in nature and have half the credit weightage of a normal course. The courses without credit are termed as noncredit (NC) courses.

Grades
In grading system, the evaluation in terms of marks is replaced by the award of letter grades. The structure and guidelines for award of grades is given.

Grade	Points	Description of Performance	Recommended Cut Off marks
S	10	Outstanding	90
A	09	Excellent	80
B	08	Very Good	70
C	07	Good	60
D	06	Average	50
E	05	Marginal	40
U	01	Unsuccessful but with satisfactory attendnce	-
I	-	Incomplete	-
L	00	Unsuccesful due to less than 75% attendance	-
X	00	Cancellation for disciplinary action	-
W	-	Withdrawal from Course(s)	-

Grade Point Averages

The performance of a student will be evaluated in terms of two indices, viz, the Semester Grade Point Average (SGPA) which is the Grade Point Average for a semester and Cumulative Grade Point Average (CGPA) which is the Grade Point Average for all the completed semesters at any point of time.

The SGPA is calculated on the basis of grades obtained in all courses, registered for in the semester.

$$SGPA = \frac{\sum (\text{Course credit} \times \text{Grade point})}{\sum \text{Course credits}}$$

The CGPA is calculated on the basis of all pass grades, obtained in all completed semesters.

$$CGPA = \frac{\sum (\text{Course credit} \times \text{Grade point}) \text{ for courses with pass grade}}{\sum \text{ Course credits of all registered courses}}$$

4.1 ACADEMIC RESEARCH

The academic research carried out by the faculty and students for the Ph.D degree, the final semester major project included in the four-year B.Tech. Programmes, the two-year M.Tech programmes, make a significant contribution to the research output. The principal source of academic research, however, continues to be through Ph.D research projects. With 452 students enrolled for a research degree during the year under review, the emphasis on and commitment to academic research is evident. During the two semesters of 2023-2024, 69 candidates were admitted in Ph.D programme. NIT Jalandhar faculty remains engaged in publishing their research results in various journals, conferences, book chapters and seminar proceedings. Some of them are listed as below:

4.2 Sponsored R&D Research Projects

The faculty of various Departments of the Institute continues to work on sponsored research and industrial consultancy projects. During the year the work continued on **61** sponsored R &D projects amounting to about **Rs. 17,27,81,609 (approx.).** The detailed list of research projects is as follows**-**

List of Ongoing Projects till 23.05.2024

S. No.	Name of Project	Principal Investigator/Investigator/Mentor/Main contact persion	Co-PI/Other investagator etc	Funding Agency	From	To	Amount, Rs	Dept.	Verified	Status
	DEPARTMENT OF BIO-TECHNOLOGY									
1	Bioprospection of Lignocellulose-rich agricultural waste using oleaginous fungi for its potential in bioenergy sector	Dr. NITAI BASAK (Mentor)	Dr. Anjana Bhatia, HMV, Jalandhar	DST-SERB-TARE	Dec-22	Dec-25	1830000	BT	Verified	Ongoing
2	Establishment of Scinece Technology and Innovation (STI) hub for empowerment of SC/ST	Dr. Sumer Singh Meena	Dr. Anee Mohanty, Dr. G.N. Nikhil, Dr. Anjireddy	DST	Dec-20	Dec-24	24903952	BT, CH	Verified	Ongoing
3	Development and clinical validation of an articificcal intelligence - empowered antibiotic susceptibility device towards optimizing antimicrobial therapy regimen in Leukaemia	Dr. Mahesh Kumar Sah	-	ICMR	-		49800000	BT	verified	Approval letter

	and bone marrow transplant patients									received
4	Intensification of Mainstream Nitrogen removal and phosphorus and recovery from low C/N wastewater by coupling Archaeal Ammonium oxidation-Anammox-modified denitrifying phosphorus removal: A sustainable and circular bioeconomy approach	Dr. Prangya Ranjan Rout	-	SERB	Dec-23	Jun-24	1763363	BT	verified	Ongoing
5	Phosphorus recovery from wastewater for safe guarding global Phosphorus stainability and food security denitrifying Phosphorus accumulating organisms (DPAOs) have the merits	Dr. Pranya Ranjan Rout	Dr. Qiuyan Yuan (University of Manitoba, Canada)	DST-IC-IMPACTS	Nov-23	Nov-25	3484066	BT	verified	Ongoing
6	Microplastics from sewage treatment plants along lower Ganga River basin: Abundance, associated co-contaminants and post effects of disposing of sludge in aqueous and terrestrial environments	Dr. G.N. Nikhil	Dr. Gopala Krishna Darbha, IISER Kolkatta, Dr. T. Bhaskar, CSIR-IIP Dehradun	DBT	Jul-24	Jul-27	4287640	BT	verified	Ongoing
	DEPARTMENT OF CIVIL ENGINEERING									
1	Investigations of Flow and Bed Morphology in Steep Mountain Streams	Dr. Mahesh Patel	Dr. Kanish Kapoor	DST-SERB-CRG	May-22	May-25	6575440	CE	Verified	Ongoing
2	Al-enhanced cloud based lightweight framework for flash flood risk assessment and hazard mapping in steep mountain channels	Dr. Mahesh Patel (Indian PI-NITJ) and Prof. Carlo Gualotieri (Foreign PI)	Dr. Mohit Kumar (Indian CO-PI- NITJ, Dr. Ashutosh Sharma (Indian Co-PI-IIT Ropar), Dr. Gautam Shrivastava (Foreign Co-PI) and Dr. Agustin (Foreign Co-PI)	SPARC-MoE	Apr-24	Mar-26	7932000	CE	verified	Ongoing
3	Study of the technological advancements in the manufacture and market trends in the utilization of lime-based blocks used as building material.	Dr. Mahesh Patel	Dr. Kanish Kapoor & Prof SP Singh	BIS	45450	45632	510000	CE	verified	Ongoing
4	Literature review, market and industry survey, and performance assessment of different type of hinges used in doors and windows (a builder's hardware) manufactured and/or available in Indian market	Dr. Neelam Rani	Dr Satyender Singh , Dr Bhaskar De , Dr Abhishek Sharma	BIS	45451	45633	904200	CE	Verified	Ongoing
	DEPARTMENT OF CHEMICAL ENGINEERING									
1	Colloidal Quantum dots as enhancers in photocatalytic hydorgen generator	Dr. Amit D. Saran	-	DST-SERB	Dec-21	Jun-24	2831400	CH	Verified	Ongoing
2	Development of smart magneto-rheological elastomers, gels, and fluids using metal oxide-carbon nanofibers and liquid metals	Dr. GIRI BABU	-	SERB-EEQ	Jan-23	Jan-26	4182588	CH	Verified	Ongoing

3	Formulation of Low Cost and Effective Self-cleaning Cement	Dr. JK Rattan	Dr. Deepak Sahu	MoE-STARS	Sep-23	Sep-26	3300000	CH	Verified	Ongoing
4	Color reduction of effluent from ETP of dyeing unit	Dr. J.K Ratan	Dr. Nitin Naresh Pandhare, Dr. Nikhil GN, Dr. Sumer Singh Meena, Dr. Deepak Sahu	Trident Group	Feb-23	Feb-25	626580	CH, BT	Verified	Ongoing
5	Lignin Valorization via biomaterial developmenr, depolymerization and green technology	Dr Anjireddy Bhavanam	Dr Jayeeta Bhaumik, Scientist E, CIAB Mohali, Dr D Giri babu,	DBT	May-24	May-27	4032560	CH	Verified	Ongoing
6	Synthesis and Drying Studies of Antimicrobial Polymeric Coatings: Simulation & Experimental Studies	Dr. Raj Kumar Arya		SERB-DST	Feb-24	Feb-27	3656664	CH	Verified	Ongoing
7	Modelling and experimental validation of the declining rate of wollastonite mineralization in CO2-rich aqueous media	Dr. Shashikant Yadav		SERB-DST	Mar-24	Mar-27	3932192	CH	Verified	Ongoing
	DEPARTMENT OF CHEMISTRY									
1	Teachers Associateship for Research Excellence (TARE)	Dr. Jaspreet Kaur Rajput (Mentor)	Dr. Rupesh Kumar, PTU Jalandhar	DST-SERB-TARE	Oct-22	Oct-25	1830000	CY	Verified	Ongoing
2	Fluorescence as Well as Smart Phone Assisted RGB Sensing of Histamine in Commercial Fishes using highly Conjugated Tetrapodal-Metal Fluorescent Probes-A Tool to Measure Food Freshness	Dr Jaspreet Rajput		MOE-STARS	Sep-23	Sep-26	3000000	CY	Verified	Ongoing
3	Development of Carbon quantum dots based bionanocomposites and smart phone assisted RGB technique for sensing of malemine and histamine is real food samples as well as photocatalytic removal	Dr. Uma Shankar		DST-SERB	Jan-24	Jan-27	4718956	CY	Verified	Ongoing
4	Smart Wettability Surfaces Instigating Spontaneous Autonomous Contact Line Motion for droplet based Sensing and self-cleaning surfaces	Dr. Vickramjeet Singh	-	DST-SERB	Jan-24	Jan-27	3450972	CY	Verified	Ongoing
5	Development of novel purine nucleoside-quinoline conjugates as effective inhibitors for chikungunya and dengue viruses	Dr. Rakesh Kumar	Dr. Shailly Tomar, IIT Roorkee	DST-SERB	May-24	May-27	4406000	CY	Verified	Ongoing
	DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING									
1	An intelligent network analyser cum patcher for advanced security hardening of the organizational network	Dr. Urvashi	Dr. Lalit K Awasthi, , Dr. Geeta Sikka, Dr. Harsh K Verma	DST-DDP	Sep-21	Sep-24	7279420	CSE	Verified	Ongoing
2	A light weight path-planning scheme for multi-UAVs based on gravitational potential field	Dr. Kunwarpal	-	SERB-DST	Feb-24	Feb-27	2134264	CSE	verified	Ongoing
3	Setting up of Science Technology & Innovation led SC Cluster at Jalandhar	Dr Jagdeep Kaur	Dr Tejinder Kaur(DAV University, Jalandhar)	Punjab State Council of Science &	Nov-21	Nov-24	9.65 lakhs (For first year	CSE	Verified	Ongoing

				Technology, Chandigarh			only)			
	DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING									
1	Design & Development of biologically inspired retinal prosthesis based biomedical implant to restore vision to the blind	Prof. Binod Kumar Kanaujia	-	DST-SERB	Mar-22	Mar-25	2327642	ECE	Verified	Ongoing
2	Design & Development of robust entropy based technique for computer aided heart health diagnosis	Dr. Ramesh K Sunkaria	-	DST-SERB	Mar-19	Jun-24	4044000	ECE	Verified	Ongoing
3	Modelling & analysis of quantum effect for sub-10 node nanowire based devices	Dr. Ashish Raman	-	DST-SERB-CORE	Mar-21	Sep-24	1897764	ECE	Verified	Ongoing
4	FPGA based high speed CCSDS processor for baseband receiver funded by ISRO bangalore	Dr. Ashish Raman	Dr Mamta Khosla, Dr. Balwinder Raj and Dr. Deepti kakkar	ISRO	Feb-20	Jun-24	1590000	ECE	Verified	Ongoing
5	Design and development of System on Chip based next generation IoT System for Industry 4.0 with Functional Safety and Security Features	Dr Ashish Raman	-	MeitY	May-23	May-27	4.8 Crore	ECE	Verified	Ongoing

4.3 Technology Business Incubation Centre (TBI)

Technology Business Incubator (TBI) was established at Dr B R Ambedkar National Institute of Technology Jalandhar with the support of Department of Science and Technology for enhancing the startup ecosystem. The vision of TBI is to make startup and innovation part of NITJ system by offering service such as Pre-Incubation, Incubation, Mentorship, and Virtual Incubation. In 2023, the startup India fund recognized these activities of NITJ TBI and awarded grant of 5.25 crores. This grant is a testament to the efforts of TBI. Through this grant, seed fund has been given to startups such as RFvis Technologies, Lifetronics Engineering and RAMCOM. Currently, there are 17 startups registered in TBI which are working in the domain of healthcare, edutech, software services, security, ecommerce etc. The TBI offers complete infrastructure and guidance facilities. These facilities are available to - Faculty/Staff of the NITJ (Current and Retired); Students, research scholars and current project staff of NITJ, Alumni of NITJ, Universities/Institutions having R&D collaboration with NITJ, and others people who want to startup.

4.4 ISRO funded Space-Technology Incubation Centre

Space-Technology Incubation Centre (S-TIC) at Dr B R Ambedkar National Institute of Technology Jalandhar was dedicated to the nation on January 17, 2019 by Dr K. Sivan, ISRO Chairman and Secretary-Department of Space. This S-TIC is second in the line of the five such incubators to be set up across India. NITJ and ISRO have colLaboratoryorated to start S-TIC at NITJ campus and in this regard MoU was signed between the two organizations. Under this MoU, NITJ will provide its facilities; Laboratories and expert faculties and ISRO will provide its technological expertise and high end testing and research facilities. ISRO has ear-marked Grant-in-Aid of two crores to NITJ as Seed Money for setting up of the S-TIC. The setting up of S-TIC is aimed at initiating startups/enterprises in the domain of space technologies and applications through capacity building, innovations and research activities in the States and UTs of the Northern Region viz. Delhi, Chandigarh, Haryana, Himachal Pradesh, Jammu & Kashmir, Ladakh, Uttarakhand and Punjab.

At present, faculty and students of NITJ are working on various Technology Development Programmes (TDPs) jointly with scientists from various ISRO centers as-

Sr. No.	TDPs	Coordinator(s) from NITJ

4.5 Intellectual Property Rights

With the view to create awareness on the significance of IPR to the faculty, NIT Jalandhar organized Intellectual Property Rights Workshop/STC to cover various aspects of IPR. Patent basics training was given in depth, the entire patent system, from its reason for existence to how to create strong patents as valuable assets of the institution was discussed. IPRs earned by faculty members during 2021-2022 are stated as below-

IPR'S filed or granted in year 2023-2024 is listed below

4.7 Centre of Continuing Education (CCE)

Centre for Continuing Education (CCE) is established in the Institute to cater the need of the society. The centre will provide a multidisciplinary platform for policy discourse. This will bring researchers, practitioners, and interested members of our community together in order to contribute meaningfully to policy debates on development, resettlement and other such burning issues. This year CCE has organized following programs:-

Sr. no	Program Name	Date	Coordinators	Remarks
1.	Computing Communication and Signal Processing (ICCSP-2023)"	24/11/2023 to 25/11/2023	Dr Ramesh Kumar Sunkaria, Dr Ashish Raman, Dr Nitesh Kashyap, Dr Pawan Kumar Verma, Dr Manjeet Singh,	Self-Sponsored
2.	Materials Science & Engineering (ICMSE - 2023)	23/11/2023 to 25/11/2023	Dr Sumit Sharma, Dr Ashok Kumar	Self-Sponsored
3.	Statistical & Optimization Techniques for Research" (SOTR-23)	20/02/2023 to 24/02/2023	Professor Arvind Bhardwaj, Dr Ajay Gupta, Dr Lakhwinder Pal Singh, Dr. Gurraj Singh, Dr Aviral Misra,	Self-Sponsored
4.	Hands on Training for VLSI and Communication Modelling	06/03/2023 to 10/03/2023	Dr Deepti Kakkar Dr Tarun Choudhary, Dr Rohit Singh	Self-Sponsored
5.	Recent Trends in Biomedical Signal Processing	22-26 May, 2023	Dr Ramesh K Sunkaria	Self-Sponsored
6.	Crowdsource by Google workshop (ideals of ML and AI)	30-30 Jan.2020	Dr Ramesh K Sunkaria	Self-Sponsored
7.	Advances in Communication Systems for integrated Technology	6- 10 July,2020	Dr Ramesh K Sunkaria	Self-Sponsored

8.	International Conference on Communication, Computing and Signal Processsing-2020 (CCSP-2020)	23-24 July 2020	Dr Ramesh K Sunkaria, Dr Ashish Raman	Self-Sponsored
9.	Computational Electronics for wireless Communications (ICCWC 2023)"	20th -21th October, 2023	Dr Nitesh Kashyap, Dr Ashish Raman	Self-Sponsored
10.	3-Days Hands on Workshop on Field Emission-Scanning Electron Microscopy with EDS and EBSD Analysis (Hybrid mode)" from 25th to 27th May 2022	25th to 27th May 2022	Dr Vickram Jeet Singh, Dr Anjireddy Bhavanam, Dr Sathiya S	Self-Sponsored
11.	5-Days Hands on Workshop and Training on Triple Quad-ICPMS, FESEM, EDS, EBSD Analysis (offline mode)	12th-16th Sep. 2022	Dr Vickram Jeet Singh, Dr Anjireddy Bhavanam, Dr Sathiya S	Self-Sponsored
12.	Advanced Techniques of Material Characterization for Research	25th October to 29th October 2021	Dr Vickram Jeet Singh, Dr Anjireddy Bhavanam, Dr Sathiya S	Self-Sponsored
13.	ML/DL for Data Science and Analytics using Python	15th Feb - 19th Feb 2023	Dr. Kunwar Pal, Dr. Lalatendu Behera Dr. Avani Vyas, Dr. Shivani Sharma Dr. Naveen Kumar Gupta	Self-Sponsored
14.	Biosignals, Communication and Applications	June 12-16, 2023	Dr Asutosh Kar, Dr Bodile Roshan M, ECE Dr Rohit Singh, ECE	Self-Sponsored
15.	Recent Trends in Biomedical Signal Processing	June 12-16, 2023	Dr Ramesh Kumar Sunkaria, Head, ECE Dr Ashish Raman, Associate Professor, ECE, Dr Nitesh Kashyap, Assistant Professor, ECE	Self-Sponsored
16.	AI based Signal and Image Processing (AISIP-23	29 May - 02 June, 2023	Dr B S Saini, Professor, ECE Dr Indu Saini, Associate Professor, ECE Dr Neetu Sood, Associate Professor, ECE	Self-Sponsored
17.	TESCON 2022	April 7th,8th and 9th 2023	Dr A Chatterjee, Professor (TT) and Chairman Medical Amenities Dr Tarun Sehgal, Medical Officer, NITJ Dr Sitakshi, Medical Officer, NIT	Self-Sponsored
18.	Technical Textile Conclave Sportech	April 17, 2023	Dr L Jaipura, Associate Professor, Textile Technology DrA K Choudhary , Associate Professor, Textile Technology	Self-Sponsored
19.	Materials Science & Engineering (ICMSE - 2023)	23-25 November, 2023	Dr Sumit Sharma, Assistant Professor, ME Dr Ashok Kumar, Assistant Professor, ME	Self-Sponsored
20.	Computing Communication and Signal Processing (ICCSP-2023	24/11/2023 to 25/11/2023	Dr Ashish Raman, Associate Professor, ECE DrNiteshKashyap, Assistant Professor, ECE DrPawan Kumar Verma, Assistant Professor, ECE DrManjeet Singh, Assistant Professor, ECE	Self-Sponsored

5.2 Library

Central Library of Dr. B R Ambedkar National Institute of Technology Jalandhar is functioning since 1986. It acts as the main learning resource center of the institute, which constitutes robust collections in both print and electronic resources. It presently holds over 101297+ books, 36 print journals, 12 e-resources (full text + citation databases) which provide access to over five thousand five hundred plus titles of e-journals including archive collections and around 2,000+ back volumes of periodicals.

The library has purchased license to access online Science and Technology, Management, Humanities & Social Sciences journals along with few provided by e-ShodhSindu consortium to support teaching and research activities by faculty, students and research scholars. Approximately Rs. 2.7 crore has been incurred on procurement of books, e-books. e-journals and other resources.

Every year, central library adds the books & other recommended resources to facilitate the faculty and students of the Institute. The Central Library is automated with integrated library management open source software '*Koha*' and that facilitates check-in/check-out with online search facility of the resources. This technology offers an easy, fast and efficient means of tracking, locating and managing of library resources.

The Central Library also manages institutional repositories with an open source software i.e. DSpace which has 2000+ numbers of **scholarly work**.

The central library has the rich collection of different resources which include:

Books

General Books	:	101297
Book Bank	:	10000+
Hindi collections	:	300+
E-Books	:	300 +
E-Journals	:	5500 + Titles
Database	:	11 (Full Text Database)
Citation Database (Web of Science)	:	01
Print Periodicals	:	36

Back Volumes of Journals	:	2000+
IS Codes & Tables	:	10000+

Library Services:

Apart from procuring, processing and distributing books, periodicals and other documents, the library offers several innovative services to the institute community such as:

- ➔ Current Awareness Services – New Arrivals Alert
- ➔ User education programmes/orientation programme for students and staff on literature search and accessing the information.
- ➔ Central Library staff actively participates in implementing open source tools and technology.
- ➔ Alert services to the users such as new arrivals, overdue Notice, different email alerts regarding services
- ➔ Web-based public access catalogue (OPAC) – (http://opac.nitj.ac.in)
- ➔ Archival of Scholarly publications (Theses / Dissertations etc.), Newspaper Clippings
- ➔ Reference Services, Research/Project Support Services (RPS)
- ➔ Book Bank facility to 1st year students
- ➔ Trial Access and demonstrations of latest resources & databases
- ➔ User Awareness Workshops (UAW) on various resources as and when required
- ➔ Faculty Profile Management Service (IRINS)
- ➔ Off-campus access to e-resources (http://idp.nitj.ac.in)
- ➔ Institutional Digital Repository (IDR) of scholarly output

Library website: <http://lib.nitj.ac.in> the web pages of central library is based on Joomla open source content management system. It contains information about the library resources, services, open access resources, staff, manuals etc. for the benefit of users.

Book Circulation System: Library is fully automated with Koha which controls the circulation system for issue return easily. Users are free to access search catalog at any time and also can check their details using provided credentials.

General Reading Hall: Central Library facilitates a general reading hall adjacent to the library users for self-study with their personal books.

Reference Section: A reference section is facilitated reference collection like books, hard copy theses, AV materials etc.

Off-Campus Access to resources: Central Library also provides the off-campus access to the subscribed resources. Faculty, Scholars and Students are provided separate user ID and Password to access the portal at http://idp.nitj.ac.in to browse the resources from out side of the campus. The project is supported by INFLIBNET, Ahmedabad.

Wifi & Reading Hall: Central Library has facility of Wi-Fi access for the students to access the resources being in the library. The library has also Centralized Air Conditioning with more than 400 students seating capacity, separate reading room to bring their own books to study.

Research / Project Support Services (RPS): Central Library provides the Research / Project Support Services for academic fraternity in which users are educated by conducting the user education programs and training on current tools such as reference manager; plagiarism checker; grammar checking etc. and other techniques on research writing in order to educate them how to use the resources for their own research.

Faculty Profile Management (IRINS)

Central Library has taken initiative to manage faculties profile in collaboration with information and Library Network (INFLIBNET) Centre. This is Research Information Management (RIM) service which would support to integrate the existing research management system such as HR system, course management, grant management system, institutional repository, open and commercial citation databases, scholarly publishers, etc. It has integrated with academic identity such as ORCID ID, ScopusID, Research ID, Microsoft Academic ID, Google Scholar ID for ingesting the scholarly publication from various sources.

Library Timings:

Library remains open from 9:00 am to 9:00 pm on all working days and from 9:00 am to 5:30 pm on Saturday, Sunday and Holidays.

General reading Hall is open from 9:00 am to 10:00 pm on all days.

Institutional Repositories: The library manages the following Institutional Repositories (IR) to preserve the scholarly output of the institute.

http://idr.nitj.ac.in:8080/jspui is an institutional open access electronic theses and dissertations (ETD) repository contains **2000+** e-theses of the Institute. This repository is an attempt to make all locally produced theses more visible to global users. It is mandatory for students of all disciplines [M.Tech, M.Sc, MA and MBA] to upload the final version of their theses submitted to the institute as a part of their academic requirements.

Expenditure incurred

Expenditure incurred (in Rs) by the library during 2023-24

A. Expenditure on Books (FY 2023-24)

- No. of Books available up to **31.03.2024** : 101297
- Expenditure on purchase of books during the financial year **2023-24** : **Rs 12,58,954/-**

B. Expenditure on Periodicals (2023-24)

- No. of E-resources subscribed in 2023-24 : **11** (Full Text)
  No. of Citation Database (Web of Science) : 01
- Print periodicals / Magazines : 36 Titles
- Expenditure on e-resources & print periodicals : **Rs. 24197122**

Library Advisory Committees:

Central Library Advisory Committee (LAC) is constitutes with one member from every department. The meeting is conducted twice in a year and also as and when required to discuss about the development of library activities.

5.4 Central Workshop

Central Workshop is an explanatory and instructional class focused on teaching specialized skill. The shops are fully equipped and provide centralized training to undergraduate and postgraduate students. It caters to all the students of 1st year B Tech, 2nd year Mechanical Engineering and Industrial & Production Engineering students. The minor project in 3rd year, major project in final year of B Tech, M tech and PhD research work is also carried out in Central Workshop. The workshop has eight constituent shops viz, Carpentry Shop, Electrical Wiring Shop, Fitting Shop, Foundry Shop, Machine Shop, Sheet Metal Shop, Smithy Shop, Welding Shop with basic and advanced infrastructure.

Central Workshop functionaries

Sr No	Name	Designation
1.	Dr D K Shukla	Head, Central Workshop
2.	Dr Gurraj Singh	Coordinator

Central Workshop Staff

Sr No	Name	Designation
1.	Mr. Sukhvinder Singh	Tech Assistant SG-I

5.	Mr. Dev Datt	Technician SG-II
6.	Mr. Ranbir Singh	Technician SG-II
7.	Mr. Talvinder Singh	Technician SG-II

The machine shop has CNC Milling machine along with conventional machine tools such as lathes, milling machines, drilling machines, shapers etc., and jobs of metal cutting such as turning, milling, drilling, threading etc., are assigned to students for practice. The Carpentry shop has Mechanized power tools, multi station working machine and conventional practice tools along with carpentry lathe, planer and circular saw for the job practice.

Various type of wooden joint jobs are assigned to the students for practice. The Electrical shop provides the basic knowledge of various tools and equipment regularly utilizes and perform experiments on various types of wirings, analysis of transformer output, verification of Kirchhoff's law, measurement of power energy meter etc. Fitting shop has tools and tackles for conventional fitting and assembling of components. The job practiced with filing, Snap fitting, drilling and thread tapping in the job piece. The foundry shop has facilities for sand testing, mould making and casting etc. An Electric Induction Furnace with separate ferrous and non-ferrous crucibles having a capacity of 50 kg is available for regular classes and for the research projects. Practical demonstration on preparation of moulding sand, making of core, mould preparation, pouring of molten metal are some of the activities during regular classes. A state of the art Ultrasonic Stir Casting of 5kg capacity is mainly utilized by the PG students for research projects. The Sheet Metal shop is equipped with various types of cutting and bending equipment's. The Smithy shop is equipped with coal fired and oil fired furnace. The various operations of the black smithy such as hand forging, upsetting, drawing & punching Comparison of hot & cold working are performed by the students for practice purpose. Welding shop has Arc welding, Spot welding, GMA welding, GTA welding, GAS welding Plasma Arc Welding and Submerged Arc welding facilities along with basic testing facilities.

1. SPECIAL REQUIREMENT FOR DEGREE

The students entering in the Institute are required to undergo the following non-credit mandatory requirements towards completion of their degree: -

N.S.O. (National Sports Organization)

The students have to opt (NSO, NCC & NSS) for one of these activities based on the enrolment procedure & Students is awarded "Satisfactory" Grade. A total of 100 hours of prescribed activities are to be completed after registration in the first year. In case the requirements are not met in the first year, the same shall be completed in the second year i.e. end of the 4th Semester. If a student does not obtain a satisfactory grade in the respective registered course within the first two years of his/her stay at the Institute, he/she will not be registered for the higher semester after second year.

The students will be satisfactorily allowed to register in sports activities of the institute for completing their National Sports Organization requirement in the first year.

Sports is an important activity for overall development of the students. It has to be carried out in order to promote spirit of Sportsmanship amongst the students and is essentially an activity, which encourages sense of healthy competition feeling of love and to work in unison. Further the sports calendar crowded with sporting games/events is promoting enthusiasm in the day-to-day campus life of the students. The Department of Physical Education and Sports is geared to achieve the following motives

a) Healthy mind in a healthy body

Bharat Dhwani	*07 November, 2023*	Bharat Dhwani, the grand celebration of NIT Jalandhar's Foundation Day, kicked off with a symphony of traditions on Nov 07, 2023." The resonant echoes of Ganesh Vandana and the illuminating lamp-lighting ceremony by our esteemed director, Dr. Binod Kumar Kanaujia, set the stage for a night of artistic brilliance. The day dazzled with spectacular performances, including gripping drama acts, high-energy group dances, and melodious group and duet songs that left everyone spellbound. The culmination was a heart-pounding Bhangra performance that ignited the campus.
Martyr Day of S. Kartar Singh Sarabha	16 November, 2023	Team Cultural Affairs organized the commemorative event in honor of S. Kartar Singh Sarabha Martyr Day on 16th November 2023, was a poignant tribute to the courageous revolutionary.
Alumni Meet	16 December, 2023	The alumni meet held at NIT JALANDHAR on December 16, 2023, was a poignant occasion that evoked a strong sense of nostalgia among the attendees. This annual gathering, cherished by both former and current members of the NITJ community, serves a dual purpose. On one hand, it rekindles connections among alumni, allowing them to celebrate shared successes and achievements and also it provides a valuable platform for current students to engage with distinguished alumni, gaining insights across diverse professional fields.

Celebration of "*Voters Day"*	25 January, 2024	Voters' Day-OATH ceremony conducted by Faculty, Staff and Students' in the presence of Hon'ble Director Prof B. K. Kanaujia The day aims to promote people's participation in elections by encouraging and felicitating young voters and increase voter enrolment. A pledge to uphold the democratic traditions of our country and the dignity of free, fair and peaceful election was taken by students, staff and faculty members of the institute. Director, Prof. B. K. Kanaujia motivated all the attendees to enthusiastically

		participate in the electoral process for achieving the true sense of the democracy. .
Celebration of "Republic Day" cultural program	*26 January, 2024*	Dr B R Ambedkar NIT Jalandhar celebrated the 75th Republic Day in the Institute on 26th January 2024 with great enthusiasm. The event commenced with unfurling of the National Flag by the Chairman cum Director of the institute, Prof. B. K. Kanaujia, followed by national anthem and a parade near the Administrative Building. The release of balloons further heightened the enthusiasm. The Republic Day festivities included a parade featuring one platoon of security unit and NCC unit of NIT Jalandhar. This was followed by a cultural event in the Central Seminar Hall of the institute.
Pareeksha Pe Charcha 2024	29 January, 2024	"Pareeksha Pe Charcha", the unique interactive program of Hon'ble Prime Minister, Shri Narendra Modi Ji with students, teachers aired watched online at NKN Hall, IT Park NITJ at 11 AM on 29th January, 2024.
HACKMOL 5.0	24-25 February, 2024	The Google Developer Student Club (GDSC) in collaboration with Yukti 2.0 and the Institute Innovation Council (IIC), of Dr. B.R. Ambedkar National Institute of Technology hosted HACKMOL 5.0, a premier hackathon on February 24 and 25, 2024. This event aimed to convene creative individuals from all backgrounds to brainstorm, develop, and implement technological solutions for real-world problems.
UTKANSH'24	08, 09 & 10 March, 2024	Utkansh'24, an annual extravaganza, unfolded over the course of three dynamic days from the 8th to the 10th of March. Marking its presence with an impressive array of over 45 events. Utkansh'24 emerged as a vibrant platform for diverse talents and interests. The inaugural ceremony, a prelude to the festivities, was held on the 7th of March, graced by the esteemed presence of the Chief Guest Vishesh Sarangal, IAS, Hon'ble Deputy Commissioner Jalandhar. The incredible talent and enthusiasm displayed by the participants from various institutions continued with a saga of events from March 8-10, 2024. In the evening, the stage was graced by the KY Collective band, showcasing their exceptional talent, followed by the energetic BDM Night that embraced the audience in its rhythm on March 8, 2024. Transitioning to the second day, the Fashion Show, featuring participation from various colleges, enthralled the audience with its creativity. Finally, on the last day, the event culminated with the grand closing ceremony, paving the way for the much-awaited Star Night featuring singer Akhil.
Martyr Day of Shaheed Bhagat Singh	23 March, 2024	The commemorative event held in honor of Bhagat Singh, Rajguru, and Sukhdev Martyr Day, organized by Team Cultural Affairs on March 23, 2024, was a deeply moving tribute to the valiant revolutionaries.
Dr B. R. Ambedkar Jayanti and Vaisakhi	14 April, 2024	NIT, Jalandhar commemorated the 133rd birth anniversary of Bharat Ratna Dr. B R Ambedkar on 14th April 2024. The event started with a garland ceremony and floral tribute to the statue of Dr B R Ambedkar by the Director of the Institute, Prof. Binod Kumar Kanaujia, Registrar Dr. Ajay Bansal, Dean Student Welfare Dr. Anish Sachdeva and other dignitaries along with a large gathering of students and staff. The occasion of Ambedkar Jayanti, coinciding with Vaisakhi witnessed several cultural performances by students of various clubs of the institute. This included classical dance, Giddha, group singing, poetry, Bhangra and other enriching performances. Prof. B K Kanaujia has also addressed the audience and put forward the contributions and vision of Dr B R Ambedkar with his efforts for making the Constitution of India.
Earth Day	22 April, 2024	Green Club, NITJ Celebrated Earth Day on 22nd April 2024. Around 50 trees were planted in the campus to promote environmental sustainability. Also students participated in an art making competition around the theme plastic pollution, an Environment related quiz competition was also organized to create awareness about environmental issues among students.

6.2 19th Convocation

Dr B R Ambedkar National Institute of Technology Jalandhar, hosted its 19 annual convocation ceremony on March 16, 2024. The event, graced by Honourable Chief Guest Dr Samir V Kamat ji, Secretary of the Department of Defence R&D and Chairman of DRDO, was attended by esteemed dignitaries, faculty members, staff, and proud families of the graduating students. A total of 1,504 students were conferred degrees during the convocation. The degrees conferred included PG diploma (3), B Tech (1,064), M Tech (253), MSc (92), MBA (32), and PhD (60). During his address, Prof Binod Kumar Kanaujia, Chairman, Board of Governors cum Director, NIT Jalandhar, congratulated the graduates and encouraged them to contribute positively to the society. He emphasized the pivotal role engineers play in transforming ideas into tangible solutions, particularly in India's rapidly evolving technological landscape. Prof Kanaujia highlighted the institute's recent achievements, including its ranking among the top 50 engineering institutes in India and its significant improvement in global rankings.

6.3 UTAKANSH `24

Utkansh'24 commenced on March 8, 2024, with a dazzling array of performances and competitions. The first day of the festival featured mind-boggling acts such as 'Shutup N Dance' and 'The Voice,' alongside cultural and literary competitions such as 'Voxwars, Cineart Odyssey', 'Jashan-e- Utkansh' and many more events were held. The evening culminated in a show-stopping 'Band Night' by KY collective and EDM night by 'Afterall', captivating the audience with pulsating beats and melodies. The incredible talent and enthusiasm displayed by participants and attendees on Day 1 continued with a saga of events on Day 2. This involved a spectacular cultural exhibition that showcased a diverse range of artworks created by talented artists. Attendees were treated to thrilling events like 'Beat the Street' and the energetic 'Bhangra Fest'. The day concluded with a captivating 'Fashion Show' and 'DJ Night', enthralling the audience. Additionally, the event featured stalls offering modern accessories and a delectable array of food, adding to the festive atmosphere. Utkansh'24 promises to continue its exciting line-up of events, ensuring an unforgettable experience for all attendees.

6.4 Institute Instrumentation Center (IIC)

About IIC Institute

Vision:

- To become a distinguished center that provides excellent experiential learning opportunities to practice creativity and innovation for generating sensible and viable solutions to transform business ideas into commercialization aligned with the challenges of industry and society

Mission:

- To equip and create the most innovative minds to develop futuristic technologies by nurturing entrepreneurship.
- To create an ecosystem to incubate and support innovative and feasible ideas and startups.
- To build and enhance technology and product development opportunities for students, staff, faculty, and research scholars.
- To provide impetus to promote/commercialize innovative and sustainable ideas.

Journey of IIC established at the Institute

- IIC was established in 2018 at Dr B R Ambedkar National Institute of Technology, Jalandhar.
- NIT Jalandhar earned four star for the various activities prescribed by Innovation Cell, Ministry of HRD, Govt. of India to promote Innovation and Start-up in campus during the IIC calendar year 2018-19, earned 4.5 star during the IIC calendar year 2019-20 and the four stars during year 2020-2021.
- Ten faculty participated in IIC Innovation Ambassador Training Series organized by Institution's Innovation Council of MHRD's Innovation Cell, AICTE held at Lovely Professional University, Jalandhar, Punjab 2022. Fifteen faculty members participated in Innovation Ambassador training (Foundation Level) conducted by MoE's Innovation Cell & AICTE. In addition to this, seven faculty members have undergone advanced level training.

Diversified representation in the IIC established at the institute from industry, Interdisciplinary & Departments/ Units etc.

- NIT Jalandhar signed MoU with many industries and institutes to promote the research and innovation. Industrial visits are also arranged to the students to gain practical exposure to engineering.

Brief mention of key functionaries at the IIC Institute

- **President**
- **Vice President**
- **Convenor**
- **Coordinators etc.**

Position in IIC	Name	Role/Responsibility
President	Dr B S Saini	To perform the role as Head of Council, initiate, identify and form the council and assign the role and responsibility to members.
Vice President	Dr Tangellapalli Srinivas	Assist President in various activities under IIC; assign the role and responsibility to members.
Convenor and Co-convenor	Dr Ajay Gupta (Convener) Dr Lalit Jajpura (Member/Co-convenor)	Immediate point of contact and coordination.
Start-up Activity	Dr R S Bharj (Coordinator) Dr Vijay Kumar (Proposed new member) Dr Amit Dhruv Saran (Proposed new member) Dr Sukhwinder Singh Dr Senthil Kasilingam CEO TBI & Manager TBI (Ex-Officio members)	Primary responsible for organizing and coordinating after Start-up promotion activities and extending support to other activities.
Innovation Activity	Dr Indu Saini (Coordinator)	Primary responsible for organizing and

	Dr Samayveer Singh Dr Bodile Roshan Mukindrao Dr Shefalli Dr Gurraj Singh	coordinating after innovation promotion activities and extending support to other activities.
Internship and Technical Affairs	Dr Arvind Kumar (Coordinator) Dr Sadhika Khullar (Coordinator) Dr Manjeet Singh Dr M Zafar Dr Prashant Kumar Dr Jagdeep Kaur Dr Neelam Rani	Primary responsible for organizing and coordinating after Internship opportunity and technical programs and engaging students in Start-ups, innovation labs and incubation centers etc. to promote innovation activities and extend support to other activities.
IPR Activity	Dr Kuldeep Singh Nagla (Coordinator) Dr Jatinder Kumar Rattan Dr Varun Sharma Dr Sumer Singh Meena Dr Amrit Pal Singh (Proposed new member)	Primary responsible for organizing and coordinating after IPR mentoring, awareness opportunity to promote innovation activities and extend support to other activities.
Social Media	Dr Sonia Chawla (Coordinator) Dr Shyamkiran Kaur (Coordinator) Dr O P Verma Dr Karan Veer Dr Gaurav Kumar (Proposed new member) Dr Avni Vyas (Proposed new member)	Primary responsible for organizing and coordinating activities like social media promotion, public relation, HR, Entrepreneur & Business, G-20 and effectively communicating regarding various activities undertaken to promote innovation activities and extend support to other activities.
ARIIA/NIRF	Dr Vihsal S Sharma (Coordinator) Dr Satyender Singh (Coordinator) Dr Poonam Gera Dr T Srinivas Dr Kunwal Pal Dr Saurabh Kango	Primary responsible for creating repositories and advising on more innovation, Research and start up activities in campus to increase the ranking in ARIIA/NIRF and also extend support to other activities.
Yukti 2.0	Dr Kunwar Pal (Coordinator) Dr Laltendu Behra Dr Mahesh Patel Dr Anne Mohanty Dr Rohit Singh	All activities of yukti 2.0 and other related IIC activities
Finance coordinator	Dr Vickram Jeet Singh (Coordinator) Mr Vipan Kumar, AR, Accounts & Store (Ex-Officio) Ms Poonam Arora, AR, Audit, (Ex-Officio)	Budget planning and financial organization for IIC activities.

Incubating Ideas

In various events some of the best incubating ideas were finalized. The list is as follows:

- Under LetStart'23 Startup Pitching Competition, 11th August-13th August 2023:
- Team 4B Solutions secured the first prize of Rs. 10,000 working in the area of giving shapes to vegetables for ornamental purposes.
- Team ICS and Team Wrinkle Free, were the First and Second Runner Up respectively, each garnering a prize of Rs. 5,000. Team ICS works to produce the Geopolymer Paver Blocks (GPB) from waste generated in thermal power plant i.e. Fly Ash (FA) and Pond Ash (PA). The paver blocks are mainly used in sideways and driveways due to their high strength and aesthetic presence. Wrinkle-free aims to provide a transformative solution to the time-consuming hassle of traditional cloth ironing.
- Research X, a team from Kanya Maha Vidyalaya won the special appreciation award for their idea and is 4th in line of the 30 teams that showcased their startups and ideas.
- Under B Plan (Inter-Institutional Business Plan Competition) 14th -16th April 2023:
- Namit Singla and Prateek Singh, B.Tech 3rd year student of Department of CSE NIT Jalandhar as the first prize winner for his innovative idea “QVault”
- Sehajdeep Saini and Palak Sharma, student of Kanya Maha Vidyalaya Jalandhar as the runner-up for his idea “Finezymes”

Highlight Achievements (Narrative/Graphical/tabular representation)

- Number and Different types of I&E and IPR activities Conducted - 30
- No. of student’s & faculty ideas generated : 42
- No. of student’s & faculty Innovation/prototypes developed: 06
- No. of IPs generated, published and granted : 19 (registered), 2 (granted)
- No. of Student & Faculty Start-ups/Ventures established - 20
- Amount spent on promotion and awareness generation on Innovation Entrepreneurship in the campus

The self-driven activities are sponsored by the NIT Jalandhar.

- Amount grant or fund supported to student & Faculty lead Innovations, start-ups and IPR NIT Jalandhar sponsored the expenditure for the registration and other expenditure for the IPR.
- No. of Technology Transfer and Commercialization happened : 01

Technology Transfer of Universal Abrasion Tester was accomplished on September 10, 2021 between Dr B R Ambedkar NIT Jalandhar and M/S Prolific Engineers, Noida, UP. Universal Abrasion Tester was developed by Dr A Mukhopadhyay, Professor (Principal Investigator), Dr A K Choudhary, Associate Professor (Co-PI) and Dr Atul Agnihotri (Research Associate) under the project entitled, 'Designing of Fabric Wet Abrasion Tester, supported by CSIR. The above tester was developed for testing all types of flexible materials such as textile fabrics, leather, plastic etc. under dry, semi-wet, and wet conditions. Presently no such instrument is available worldwide which can work under flexible operating conditions and the range of operating parameters can be varied widely.

Highlight few best IIC Faculty/Student members and their achievements/ Rewarded for the innovations at different forum [Profile of few faculties with 2-3 line of their achievements]

- Prof. Dr. A Mukhopadhyay, Department of Textile Technology, has a good number of research projects in the field of Aerosol Filtration, Technical Textiles, and Mechanical Processing of Textiles. Few of the innovative products were Technology Transfer to industry by him.
- Prof Vinay Midha, Department of Textile Technology, has a good number of research projects in the field of Sewing dynamics, Nonwovens & Technical Textiles and geotextiles. Reusable mask and patient shifting device innovated by him was technology transferred to industries along with a significant number of research awards in his credit.
- Prof. Dr B S Saini, Department of Electronics is associated with multiple research projects in the field of Evidence-based Technological Interventions Strategies for Learning and Rehabilitation of Individuals with Autism Spectrum Disorder and other relevant fields of his expertise.
- Dr Kuldeep Singh Nagla, Associate Professor, Department of ICE has expertise on Space Robotics, Artificial Intelligence, Sensor Fusion, IoRT, SLAM, Industrial Automation, Intellectual Property Rights (IPR) etc. He has more than 23 patents, copyrights and designs on his name with multiple research projects.

- Dr Srinivas Tangellapalli, Associate professor, Department of Mechanical Engg, has multiple research projects, patents and awards in the field of thermal Polygeneration, Hybrid Energy Systems, Motorless Solar Tracking, Conducting exergy.
- Dr Indu Saini, Associate professor, Department of Electronics. Expertise on Biomedical Signal Processing, machine Learning Algorithms, Plant Signaling, VLSI Design with patents in the aforesaid field.
- Dr Lakhwinder Pal Singh Jarangal, Associate Professor, Department of IPE, Expertise on ergonomics as well as has IPR in related fields. Received the 'International Ergonomics Association' 2022 IEA/Kingfar ECR Award for Research in Human Factors and Ergonomics Issues.
- Dr Senthil Kasilingam, Assistant Professor (grade I), Department of Civil Engg has multiple awards, patents and research projects in the field of Impact and Computational Mechanics.
- Dr Mahesh Kumar Sah, Assistant Professor, Department of Biotechnology has Expertise on Biomaterials for Tissue Engineering, Stem Cell Research, Biopolymers for Environmental Engineering, Waste Valorization. He has patents in aforesaid areas.
- Dr Kunwar Pal, Assistant Professor, Department of CSE, dynamic IIC member
- Mr Karan Anand, B.Tech 2nd year student of Department of ICE NIT Jalandhar as the first prize winner for his innovative idea "SPRING OS" and Shivam Tiwari, B.Tech 3rd Year student of Department of Chemical Engineering NIT Jalandhar as the runner-up for his idea "GAMES ON" in Three days Inter-Institutional Idea Competition (IICi 23): iDEAtHON" organized by NIT Jalandhar from 3rd to 5th Feb 2023.

Highlight selected best Innovations & images with mention of inventor/innovation name

- Realizing the problem of student teacher engagement, Kendel Innovations brought about an Innovative solution which utilizes AR VR technology to bridge the gap between students and teachers and helps establishing a better education environment focussing on better understanding of concepts and thus facilitating the yield better results: Developed by Mr. Ajit Yadav
- MOO Diagnostics aims to reduce the level of increasing antimicrobial resistance in the Indian Dairy Sector. (Proposed product will be a paper/membrane-based strip detection kit for antibiotics in milk and sub-clinical mastitis disease of cattle, which can be easily used in dairy farms/industries.) Technology is innovated by Mr. Pankaj Sharma
- Eon Surya is a solar energy based start-up to provide solar energy solutions to fulfill thermal energy requirements at moderate temperatures backed by the thought of supporting human life and reducing carbon footprint using renewable energy sources. It was innovated and developed by Dr. Satyender Singh
- Sanved technologies, along with some doctors from MAIDS innovated Dental Ultrasound Broken Instrument Retrieval system to replace the annoying Root Canal Therapy (RCT) which brings along breakage and inhibits proper cleaning and shaping of the root canal, thus providing an economical and easy solution to the problem by Aarchisya Kapoor
- Vizvas works on nose filters, approved by various doctors that help humans in breathing better air just by filtering it out while it sits and fits easily into their nose. It is innovated by Ms. Poonam Kamlekar
- Patient shifting device has been, to replace the old cumbersome method of the same, by producing samples at a nearby factory and carrying out the performance analysis of the bedsheet at Christian Medical College, Ludhiana. The patent for the product has been applied and was published in the official journal of the India Patent office by Dr. Vinay Middha.
- Easy Breathe Facemask: Bacterial Filtration Efficiency at 99.6% while breath resistance half of N95 Mask, Prof. Dr Vinay Midha, Department of Textile Technology
- Development of Wet Abrasion Tester and Technology Transfer by Prof. Dr. A Mukhopadhyay & Dr. A K Choudhary, Department of Textile Technology
- Design of Transitivity Tester for Geotextiles developed by Prof. Dr Vinay Midha, Department of Textile Technology
- Automated dialysis system for protein Purification was developed by Dr Mahesh Sah
- All in one patient lifter walker and carrier was developed by Dr Mahesh Sah
- Development of instrument for soil erosion testing by Prof. Dr Vinay Midha, department of textile technology
- Development of Tensile Impact Testing Machine by Prof. Dr. A Mukhopadhyay, Prof. Dr Vinay Midha & Dr. Monica Sikka, Mr Gyanranjan Behra, Department of Textile Technology

Faculty members of the Textile Technology Are Life members, Reviewers and fellow members of many professional societies. Some of them are listed below:

- Reviewer of: (i) Textile Research Journal, (ii) Coloration Technology, (iii) Carbohydrate Polymers, (iv) Cellulose, (v) Fibres & Polymers, (vi) Journal of Cleaner Production, (vii) Journal of Industrial Textiles, (viii) AATCC journal of Research, (ix) Indian Journal of fibre & Textile Research.
- Guest Editor of special issue on “Sustainable Technology”, Indian Journal of fibre & Textile Research (work started during October 2023 and will be published during Sept 2024)
- Review Meeting of Education Proposals under NTTM 26.07.2023
- Editorial board member of IJFTR, July 2023.
- Revieweed CSIR-Human Resource Development Group – Extra MuralResearch-II on 06.05.2023
- Member RAC for a tenure of 2024 – 2026 for National Institute of Natural Fibre Engineering and Technology under Indian Agricultural Research Institute; First meeting on 23-24 January 2024.
- BOG member 09/05/2022- 08/05/2024
- AICTE expert for scrutiny and evaluation of institutes applying for AICTE approval.
- Gate 2024 question paper setting committee members for Textile Engineering and Fibre Science.

- Govt Nominee for CAS Screening Cum Evaluation Committee in the Discipline of Textile Chemistry/Textile Technology by Rajasthan Technical University, Kota.
- Guidance for new lab in Lovely Professional University, 11th September, 2023.
- Invited lecture for Textile Association Ludhiana on 9th March 2024.
- Life Member of ISTE and Institute of Engineers (India).
- Meeting for deliberation on creating a mini mission under the National Technical Textiles Mission (NTTM)) for the development of high-performance and speciality fibres under the chairmanship of Sh. Rajeev Saxena, Joint Secretary, Ministry of Textiles, 8th August 2023.
- Member of the Technical Programme Committee of the proposed first International Conference on Pioneering Developments in Computer Science and Digital Technologies (ICCSDT-2024) organized by the CSE Department of NIT Delhi.
- Outside Expert/ BOS Member of JNGEC Sundernagar, Distt. Mandi, Himachal Pradesh.
- PhD pre-submission viva for Lovely Professional University.
- Question paper setting and practical conducts for the Institute of Engineers.
- Question paper setting for Punjab Technical University.
- Reviewer of Journals TRJ, IJFTR, JTI and IJCST.
- Editorial board member, Textile Research Journal
- Editorial board member, Canadian Journal of Biomedical Research and Technology
- Fellow of the Textile Institute, Manchester (CText FTI)
- Fellow of the Institution of Engineers (India)
- Life member of the Indian Society for Technical Education
- Joint faculty at Centre for Energy and Environment, Dr B R Ambedkar NIT Jalandhar
- Member BOS at DKTES Society's Textile and Engineering Institute, Ichalkaranji, Maharashtra.
- Guest Editor, Ongoing Special Issue 'Textile waste based composite materials' Journal of Industrial Textiles, Sage Publication.
- Reviewer for following journals, Polymer composites, Wiley; Construction and Building Materials, Elsevier; Journal of Institute of Engineers: Series E

Undergraduate Programmes

- CYFC0104 Applied Chemistry
- CYFC0133 Applied Chemistry Lab
- IDFC0131 Environmental Sciences Lab
- IDFC-0101 Environmental Sciences

Postgraduate Programmes

- M.Sc. in Chemistry
- Ph.D. in Chemistry

Full and Part Time PhD Programme

- Full Time =29
- Part Time = 08

3. LIST OF LABORATORIES

- Chemistry Laboratories (UG)
- Environmental Sciences Labortary (UG)
- Postgraduate Organic Chemistry Laboratory
- Postgraduate Inorganic Chemistry Laboratory
- Postgraduate Physical Chemistry Laboratory

Research & Development Laboratories:

- Polymer and Nanotechnology Laboratory
- Natural Product and Medicinal Chemistry Laboratory
- Advanced Synthesis and Catalysis Research Laboratory
- Inorganic Green Chemistry Laboratory
- Smart Materials Research Laboratory
- Material Testing Laboratory
- Analytical Chemistry Lab
- Nano Surface and Environmental Research Laboratory

1	Prof B. S. Kaith	Award of Achievement in societal services 2023	Awarded in SHISKHA MAHA KUMB (National Conference on Recent Adavnces in School Education)	Societal Services	9th -11th June, 2024

e) Other Extension Tasks

(Such as involvement with outside institutes - Network / Joint Projects, International & National Academics, Professional Societies, Industry / Govt./ Public/ Community Service, Editorial & Renewing work, Editing of proceedings, Development of national code of standards, members of advisory committee/BOS/Senate/BOG/professional bodies/Governing Council/Selection Committees outside NIT Jalandhar/Chief Guest outside NIT Jalandhar/Editorship of journal/Reviewer of journal, membership of Professional bodies/award/recognition etc.)

Faculty members of the Chemistry Department are Life members and fellow members of many professional societies. Some of them are listed below:-

- Member deliver expert lecture on Title Biopolymers: Fabrication and Prespective Applications.,
- Member of Andhra Pradesh Akademi of Sciences
- the reviewer of Nature communications (IF: 17.7) and Chemical Engineering journal (IF 16.7)
- Expert Lecture on Eco-friendly Innovative Materials: Applications in Diversified Fields.

- Delivered keynote address titled ‘Ecofriendly biomaterials and their appliucations in different fields”.
- A Member delivered invited talk on Titled: Innvative Biomaterials and their Applications”
- A member delivered keynote address on “Implemantation of green Chemistry Principles in Nanomaterials Fabrication”
- A member deliverd invited talk on Green synthesized BC@NiFe2O4 nanocomosite for highly efficient photocatalytic remediation of pesticides from agriculture wastewater.
- A member deliverd a invited talk on “Therapeutic Agents Based on Naturally Occuring scaffolds synthesis and Bioactivitoes.
- A faculty member invited talk on Title” Carbon-Basd Cement Nano Composite as Future Building Materials” at NIT , Srinagar, Uttarakhand on 12th August, 2023.
- A Faculty Member Invited Talk on Title “Education and Society” on Integrated Teaching Education Programme (ITEP), NIT, Jalandhar on 6th October,2023

ANNEXURES

8.1 Insitute's Council

The Council

(1) With effect from such dated as the Central Government may, by notification, specify in this behalf, there shall be estabalished for all the Institutes specified in column (3) of the Schedule, a central body to be called the Council.

(2) **The Council shall consist of the following members, namely:-**

(a) The minister in charge of the Ministry or Department of the Central a Government having administrative control of the technical education, ex officio, as Chairman;
(b) The Secretary to the Government of India in charge of the Ministry or Department of the Central Government having administrative control of the technical education, ex officio, as Vice-Chairman;
(c) The Chairperson of every Board, ex officio;
(d) The Director of every Institute, ex officio;
(e) The Chairman, University Grants Commission, ex officio;
(f) The Director General, Council of Scientific and Industrial Research, ex officio;
(g) Four Secretaries to the Government of India to represent the Ministries or Departments of the Central Government dealing with biotechnology, automic energy, information technology and space, ex officio;
(h) The Chairman All India Council for Technical Education, ex officio;
(i) Not less than three, but not more than five persons to be nominated by the Visitor, at lease one of whom shall be a woman, having special knowledge or practical experience in respect of education, industry, science or technology;
(j) Three members of Parliament, of whom two shall be chosen by the House of the People and one by the Council of States;
(k) Two Secretaries to the State Government, from amongst the Ministries or Departments of that Government dealing with technical education where the Institutes are located, ex officio;
(l) Financial Advisor, dealing with the Human Resource Development Ministry or Department of the Central Government, ex officio;
(m) One offer not below the rank of Joint Secretary to the Government of India in the Ministry or Department of Central Government having administrative control of the Technical Education, ex officio, as Member-Secretary.

Dear Prof Kanaujia,

The audit of annual accounts of your Institute for the year ended 31 March 2024 was conducted and audit comments in respect of the same have been reported through the Separate Audit Report. In this regard, it is to bring to your kind attention that corrective action, to certain persistent irregularities which are repeatedly included in the Separate Audit Reports/Management Letters (as briefed in the Part A of the annexure enclosed), has not been taken by the management of the Institute, which needs your immediate intervention. Besides, there are certain other deficiencies noticed which have not been included in the Separate Audit Report but, nevertheless, are significant (as detailed in the Part B of the annexure), are also being brought to your attention for remedial/corrective action.

You are requested to issue instructions for taking corrective measures in this regard.

With regards

Yours sincerely,

Prof. Binod Kumar Kanaujia,

Annexure to the management letter

PART A: Persistent Irregularities being included in the Separate Audit Reports and Management Letters

Compliance to the following observations included in the previous year Separate Audit Reports/Management Letters on the annual accounts of the Institute was not made. As compliance of these observations, was not made, following observations have been repeated in the current year Report for the year 2023-24 (kindly refer to Separate Audit Report):

1. *Showing of Net Block in the columns of Gross Block in the Schedule of Fixed Assets*

   (Comment no.B.5 of Separate Audit Report, 2023-24)

   (Comment no.B.1 of Management Letter, 2022-23)

2. *Irregularity in respect of Internal Audit System*

   (Comment no.1 of Annexure to Separate Audit Report, 2023-24)

   (Comment no.1 of Annexure to Separate Audit Report, 2022-23)

   (Comment no.1 of Annexure to Separate Audit Report, 2021-22)

   (Comment no.1 of Annexure to Separate Audit Report, 2020-21)

   (Comment no.1 of Annexure to Separate Audit Report, 2019-20)

   (Comment no.1 of Annexure to Separate Audit Report, 2018-19)

3. *Irregularity in respect of Internal Control System*

   (Comment no.2 of Annexure to Separate Audit Report, 2023-24)

   (Comment no.2 of Annexure to Separate Audit Report, 2022-23)

   (Comment no.2 of Annexure to Separate Audit Report, 2021-22)

   (Comment no.2 of Annexure to Separate Audit Report, 2020-21)

   (Comment no.2 of Annexure to Separate Audit Report, 2019-20)

   (Comment no.2 of Annexure to Separate Audit Report, 2018-19)

4. *Misclassification of Plant and Machinery amounting to ₹68,194 under Scientific & Laboratory Equipment*

   (Comment no.B.1.1 of Management Letter, 2023-24)

   (Comment no.A.1.1 of Management Letter, 2022-23)

PART B: Other Irregularities noticed during the audit of accounts of the Institute for the year 2023-24 which have not been included in the Separate Audit Report

B.1 Balance Sheet

Assets

B.1.1 Fixed Assets: ₹ 431.21 crore

B.1.1.1 Scientific & Laboratory Equipment: ₹30.90 crore

The above includes machinery/equipment amounting to ₹68.194 purchased during the year 2022-23 for use by the Horticulture Department which should have been booked under "Plant and Machinery". The depreciation @ 8 *per cent per annum* was charged on these equipment whereas it was to be charged @ 5 *per cent* under Plant & Machinery. This misclassification of Plant & Machinery as Scientific & Laboratory Equipment resulted in overcharging of depreciation by ₹4.092 (at the differential rate of three percent each for 2022-23 and 2023-24). This has resulted in understatement of Fixed Assets as well as Corpus Fund by ₹4,092 each and understatement of surplus for the year by ₹2046.

The comment was included in management letter for the year 2022-23. however, compliance has not been made.

B.1.1.2 Software: ₹ 67.50 lakh

The Institute has depicted the net value of software at ₹ 67.50 lakh as on 31.03.2024 under schedule of Fixed Assets (schedule 4). As per the format of accounts prescribed by the Ministry of Education, depreciation has to be charged on the software is 40 *per cent* on straight line method. Upon calculation, the net value of software as on 31.03.2024 comes out to be ₹ 69.35 lakh as detailed below against ₹ 67.50 lakh shown in the accounts.

Asset Name-Software	Amount (in ₹)	Net Depreciated Value as on 31.03.24 (In ₹)
Additions made in 2021-22	Nil	Nil
Additions made in 2022-23	6227531	1245506
Additions made in 2023-24	9483419	5690051
Net Value As on 31.03.2024		**6935557**

This has resulted in the understatement of Fixed Assets and overstatement of depreciation by ₹1.85 lakh, consequently, resulting in understatement of Corpus/Capital Fund by ₹1.85 lakh.

B.1.2 Current Assets (Schedule 7): ₹174.34 crore

Above does not include an amount of ₹13.09 lakh on account of rent (₹10.93 lakh), penalty on rent (₹2.07 lakh), and garbage charges (₹0.09 lakh) receivable from rented shops in NIT campus as on 31.03.2024. The same should have been booked as accrued income in Income and Expenditure Account. This has resulted in the understatement of Current Assets (Schedule 7) as well as Other Income (Schedule 13) by ₹13.09 lakh each.

B.2 Income and Expenditure Account
Other Income (Schedule 13)
License Fee: ₹ 21.22 lakh

The license fee of all types of Govt. accommodation was revised vide Ministry of Housing and Urban Affairs orders dated 10th July, 2023 w.e.f. 1st July, 2023. The Institute neither revised and recovered the license fee of the accommodation allotted to its employees from July 2023 onwards nor showed it recoverable under Income Accrued in the Income and Expenditure Account for the year 2023-24. This has resulted in understatement of Income for the year 2023-24 to the tune of ₹2,64,600/- (calculated from July 2023 to March 2024) as well as Current Assets by the same amount.

B.3 General
Current Assets (Schedule 7)
Sundry Debtors

As per format of financial statements for Central Higher Educational Institutions, amount recoverable from debtors who are more than six months old should be shown separately in Schedule 7. An amount of ₹119528/- relating to financial year 2016-17 is still recoverable from Omega Elevators, Ahmedabad, however, the same has not been disclosed separately in contravention to the prescribed format of accounts.

Deputy Director

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Dr. B. R. Ambedkar National Institute of Technology, Jalandhar for the year ended 31 March 2024

We have audited the Balance Sheet of Dr. B. R. Ambedkar National Institute of Technology. Jalandhar (Punjab) as at 31March 2024, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 19(2) of the Comptroller and Auditor General's (Duties, Power and Conditions of Service) Act, 1971 read with Section 22(2) of the National Institutes of Technology, Science, Education and Research Act. 2007. These financial statements are the responsibility of the Institute's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification. conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law. Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects. etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;

ii) The Balance Sheet and Income and Expenditure Account/Receipts and Payments Account dealt with by this Report have been drawn up in the format prescribed by the Ministry of Human Resource Development, Government of India vide order No. 29-4/2012-FD dated 17 April 2015.

iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Institute in so far as it appears from our examination of such books.

iv) We further report that:

A. Balance Sheet
Assets
Fixed Assets: ₹ 431.21 crore

A.1 Capital Work-in-Progress: ₹ 98.69 crore

(i) Above includes ₹5891.53 lakh on account of work "Mega Girls Hostel Phase II" which was completed during 2023-24. Out of this, a sum of ₹5591.53 lakh[1] had been utilised on the construction of the hostel building. The same should have been capitalized by the Institute under the head Buildings. This has resulted in overstatement of Capital Work-in-Progress by ₹5591.53 lakh, understatement of Buildings by ₹5479.70 lakh (₹5591.53 lakh less depreciation ₹111.83 lakh), understatement of depreciation (and consequently overstatement of Corpus/Capital Fund) by ₹111.83 lakh.

Further, out of ₹5891.53 lakh, ₹300.00 lakh was shown in Form 65 submitted by the CPWD as funds transferred to Executive Engineer (Electrical), CPWD, Jalandhar in March 2023. The utilisation certificate of the executing agency against this amount was not shown to audit. The amount of ₹300.00 needs to be booked under appropriate heads in the Accounts after verifying the position from the executing agency.

(ii) Above includes ₹44.94 lakh on account of work 'Ultra Filtration Plant' which was completed during 2023-24 at ₹ 51.19 lakh. The same should have been capitalised under Tubewells and Water Supply. This has resulted in overstatement of Capital Work-in-Progress by ₹44.94 lakh and understatement of Tubewells and Water Supply by ₹50.17 lakh (₹51.19 lakh less depreciation ₹1.02 lakh), understatement of depreciation (and consequently overstatement of Corpus/Capital Fund) by ₹1.02 lakh and understatement of Current Liabilities and Provisions by ₹6.25 lakh on account of excess expenditure payable to CPWD.

(iii) Above includes ₹21.83 lakh on account of work "Augmentation of sub station & shifting of existing transformers panels etc". The work was completed during 2022-23 with the cost of ₹32.60 lakh and should have been capitalized. This has resulted in

[1] ₹5561.18 lakh as per Form 65 plus architect fees of ₹ 30.35 lakh.

overstatement of Capital Work-in-Progress by ₹21.83 lakh, understatement of Fixed Assets (Electrical Installation & Equipment) by ₹29.34 lakh (₹32.60 lakh less depreciation ₹3.26 lakh), understatement of Current Liabilities and Provisions by ₹10.77 lakh, understatement of depreciation and consequently overstatement of Corpus/Capital Fund by ₹3.26 lakh.

A.2 Intangible Assets: ₹2.77 crore
E-Books and Journals - Additions: ₹2.42 crore

Above includes E-Books and Journals of ₹48.36 lakh having access from April 2024 to March 2025. Thus, the asset has been put into use during the period 2024-25 while the payment has been made during 2023-24.

This has resulted in overstatement of Fixed Assets by ₹29.02 lakh, understatement of Capital Advances by ₹48.36 lakh and understatement of Corpus/Capital Fund by ₹19.34 lakh (due to depreciation charged in I&E A/c amounting to ₹19.34 lakh).

B. General

B.1 Net Impact of Audit Comments

Net impact of Audit comments on the Annual Accounts of the Institute for the year ending 31 March 2024 is as under:

i. Overstatement of Assets by ₹79.75 lakh,
ii. Understatement of Current Liabilities and Provisions by ₹17.02 lakh,
iii. Overstatement of Surplus by ₹96.77 lakh. Consequently, Corpus/Capital Fund has also been overstated by ₹96.77 lakh.

B.2 The Institute has shown Capital Advances of ₹16.66 crore as on 31.03.2024 in Schedule 8 (Loans, Advances and Deposits) whereas the balance of deposits was ₹19.26 crore as per form 65 of CPWD for the month of March 2024. The difference of ₹2.60 crore needs to be reconciled.

B.3 Finance Cost (Schedule 20)
Interest HEFA Loan: ₹ 36.49 lakh

Above represents Interest expenditure on the Term loans availed by the Institute from Higher Education Financing Agency (HEFA) for the purpose of Construction of Buildings and Infrastructure Development in the campus of the Institute.

As per the provisions of Accounting Standard 16 (AS 16) as issued by Institute of Chartered Accountants of India, borrowing costs that are directly attributable to the

acquisition, construction or production of a qualifying asset should be capitalised as part of the cost of that asset. The AS 16 further provides that capitalisation of borrowing costs should be stopped when substantially all activities necessary to prepare the qualifying asset for its intended use are complete. The financial statements should disclose: (a) the accounting policy adopted for borrowing costs: and (b) the amount of borrowing costs capitalised during the period.

In terms of the aforesaid AS16, pre-construction period interest on HEFA term loans should have been capitalized as part of the project cost. However, the Institute has not capitalised the interest on HEFA term loan amounting to ₹86.97 lakh paid from period 2020-21 to 2023-24 under respective Fixed Asset/Capital Work-in-Progress.

Though the Institute has deviated from the prescribed provisions contained in AS-16, it has not disclosed the Accounting Policy as regards treatment of borrowing cost.

B.4 Balance confirmation from Creditors not obtained (Schedule 3)

Sundry Creditors: ₹ 15.05 crore

The Institute has not obtained confirmation from the creditors amounting to ₹65.63 lakh (being expenses payable) (₹150509891/- less ₹143946605/- pertaining to repayment of HEFA advance) at the close of financial year under Schedule 3 "Current Liabilities & Provisions". In the absence of the same, the authenticity of this balance depicted in the financial statements by the Institute could not be verified in audit.

B.5 Schedule of Fixed Assets

As per the format of accounts prescribed by the Ministry of Education for Central Higher Educational Institutions, Schedule of Fixed Assets has to show the accumulated values in respect of each of Gross block, Depreciation and Net Block of Fixed Assets as on the Balance Sheet date. However, in the columns prescribed for showing the Gross Block, the Institute has wrongly shown opening Net Block instead of Gross value of Fixed Assets as on 01.04.2023.

Similar observation was included in the previous year management letter, however, compliance has not been made by the Institute.

B.6 As per the prescribed format of accounts, the schedule of Staff Payments & Benefits (Schedule 15) should be classified separately for the teaching, non-teaching and ad-hoc staff. However, the Institute has not bifurcated the same in contravention of the prescribed guidelines.

B.7 The Institute has booked ₹ 896.37 lakh as Capital Work-in-progress in respect of the work "new lecture theatre complex (1719)"in the accounts.However, as per form 65 of CPWD, expenditure incurred on the work "new lecture theatre complex (1719)", was ₹845.13 lakh as on 31.03.2024 and ₹40.00 lakh was shown in Form 65 as funds transferred to Executive Engineer (Electrical), CPWD, Jalandhar in January 2024. The utilisation certificate of the CPWD against the amount of ₹40.00 lakh was not shown to audit. Further, the details of balance amount of ₹11.24 lakh were also not shown to audit. Thus, accuracy of amount of ₹51.24 lakh booked under Capital Work-in-progress in respect of the work "new lecture theatre complex (1719)" could not be verified in audit.

B.8 Adjustment/reconciliation of Inter-fund balances

The Institute had following inter-fund balances as on 31.03.2023.

Schedule-3: ₹18,66,85,916/-

Schedule-8: ₹22,03,85,257/-

Note to Accounts at Sr. No.4 of the current year accounts states that inter-fund transfers/balances have been rectified and reconciled during 2023-24.

However, the Institute did not provide the details/records in respect of these rectifications and reconciliation, in the absence of which, Audit could not ascertain whether funds have been correctly transferred and reconciled.

C. Grant-in-Aid

The position of grants-in-aid of the Institute during the year 2023-24 is as under:-

(₹ in lakh)

D. Management Letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Institute's management through a management letter issued separately for remedial/corrective action.

v) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.

vi) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes to Accounts, and other significant matters stated above, and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

a. In so far as it relates to the Balance Sheet, of the State of affairs of the Institute as at 31 March 2024; and

b. In so far as it relates to the Income & Expenditure Account, of the surplus for the year on that date.
